

Instructions for the 5-Year Agreement for Service

This form must be completed and returned with the original signatures of the applicants.

In most instances this should be accompanied by either a Membership Application or an Additional Service Agreement.

Applicant should complete all the blanks in the first paragraph.

The "miles of line" will be completed by personnel of Charles Mix Electric, depending on what facilities are required for the new service.

Applicants should sign at the bottom of the form.

AGREEMENT FOR SERVICE

This agreement, made and entered into this _____ day of _____, 20_____, by and between Charles Mix Electric Association, Inc., party of the first part and (Name) _____, party of the second part, witnesseth:

Second party desires service on the premises of second party and request that first party construct the necessary line to said site. This will require the construction of approximately _____ miles of line.

Second party agrees to continue said electric service with first party at standard metered charges of first party, and the agreed minimum of Rate Schedule A shall be paid for a period of sixty (60) consecutive months whether the service is connected or not, with standard rate charges to apply thereafter. Said charge is to commence from the date of completion of said line and made available by first party.

The balance on any monthly or annual service charges for the five (5) year service contract shall be deemed immediately due should the account for the service be in arrears for more than 120 days.

Dated this day and year first herein before stated.
