

CME 2025 Rate Schedule 1-25

Charles Mix Electric Association, Inc.
Lake Andes, South Dakota 57356

Schedule 1-25

Effective: April 1st, 2025

Rate Code: R1, R2

Revenue Codes: 1, 3, 4, 7, 8, 11, 12, 13, 14, & 15

Type of Service: Single-phase, 60 cycles at available secondary voltages.

Applicability: Applicable to single-phase services, excluding irrigation, subject to the established rules of the seller.

Rate per Month₁:

Service Charge	\$84.25
Capacity Charge per KW ₂	\$4.70
Coincident Demand Charge per KW ₃	\$20.25
Energy Charge per kWh.....	3.85¢
All Electric Heat	Coincidental Demand Forgiveness

1. Add tax when applicable.
2. For revenue codes 1, 3, 4, and 5, the capacity charge in kilowatts, will be the average of the current month plus the previous 5 months. This will begin April 1st, 2025 with actual demand then averaged monthly going forward. All other revenue codes will be actual current month readings.
3. For revenue codes 1, 3, 4, and 5, the coincidental demand charge, in kilowatts, will be calculated from the average of the current month plus the previous 5 months. This will begin April 1st, 2025 with actual demand then averaged monthly going forward. All other revenue codes will be actual current months readings.

Terms of payment, notices and fees shall be covered under Policies No. 601 - 604.

Approved January 20th, 2025 _____
